Dear Katherine Ingersoll -

I have often thought

of you but haven't writ-  
ten for a while. How are  
you & after supper. Are  
you alone and how are  
you - My old knees are  
painful & I can't walk  
much. It is very painful  
to walk. I have had a  
toilet put on my first  
floor and what a com-  
fort it is. I am thank-  
ful I have it, I just can't  
tell how much easier it  
is for me. <sup>as I lie on 1st floor.</sup> I hope you  
are comfortable, I hope you  
come down at present but  
I'd be so glad to see you -

Yours
